#### Filters for Action

We will make only decisions that are in the best interest of students.

We will not tolerate any action or circumstance that degrades any person.

We will not grant tenure of a permanent appointment to anyone that demonstrates less than excellence.

No new program will be accepted unless parents are involved in the development and the decision, appropriate provisions for effective staff development are made, adequate resources are provided, and a program assessment component is included.

We will practice participatory management (1) Those closest to the job know it best. (2) Strategic information flows downward and operational information flows upwards. (3) Decisions should be made at the lowest appropriate level. (4) Accountability is commensurate with authority.
