Thanks to the generosity of the PTA, each student will be given a student agenda to begin the school year with. This agenda was designed specifically for middle school students and will help them plan homework assignments, reports and other important projects during the school year. If a student needs a replacement agenda during the school year, it will cost \$6.00 to replace the agenda.

Please remember as a seventh grader you are required to read at least two books over the summer. In addition to reading, we **recommend** that you complete the Literature Share Outline that was included in the summer reading packet, these outlines will be helpful to you at the end of September when you will be asked to give a book talk based on your summer reading.
