

STUDENT DISMISSAL PRECAUTIONS

No student may be released from school to anyone other than the parent, guardian or child protective services personnel and law enforcement officers pursuant to law, unless the name of the individual seeking release of the student appears on a list provided by the parent or guardian.

A student may be released to either parent unless a custodial parent supplies the School Principal with a certified copy of a court order or divorce decree to the contrary.

The Superintendent of Schools shall maintain procedures to enable parents and guardians to amend the list of persons authorized to obtain the release of their children.

STUDENT DISMISSAL PRECAUTIONS REGULATION

The Principal or designee shall maintain a record of individuals on the Student Information System, in addition to other physical records, who are authorized to obtain the release of students in attendance at the school. No student may be released to the custody of any individual not the parent or guardian of the student, unless the individual's name appears on the record.

Parents or guardians may submit a list of individuals authorized to obtain the release of their children from school, at the time of the child's enrollment. It may be required to have the signature of the parent or guardian notarized. Particular caution should be exercised when the person seeking the release of a child exhibits to the school official an out-of-state custody order.

A parent or guardian may amend a list submitted pursuant to this regulation at any time, in writing, with a properly notarized signature of the parent or guardian.

Certified copies of any court orders or divorce decrees provided by the custodial parent, which restrict a parent's ability to seek the release of their child, shall be maintained by the Principal or designee.

An individual seeking the release from school of a student must report to the school office and present identification deemed satisfactory by the Principal or his/her designee, who must check the authorized list before a student may be released.

Early excuses for emergency reasons should be requested in writing by a parent/guardian. Medical releases are handled through the Nurse's Office. All other reasons for release must go through the Main Office, and students must be picked up in the Main Office. The person seeking the release must sign the register in the office.

In the event of an emergency, the Principal may release a student to some individual not appearing on the approved list only if the parent or guardian has been contacted by the Principal and has approved the release, and the Principal determines that an emergency exists.

The Building Principal, at his/her discretion, may add other procedures to ensure the safety of the student(s).
