CORE VALUES

We Believe:

* That all children can learn.
* In educating the whole child so he/she can meet the District’s Standards.
* In focusing on student achievement.
* In providing a comprehensive and enriched curriculum for all students reflecting the needs and available resources of the community.
* That the combined commitment of the Board of Education, staff, families, students, and community is the key to educational success.

MISSION STATEMENT

Preparing successful contributing citizens of the world through school, family and community partnerships, while addressing the diverse needs of all students.

4. NEW BUSINESS

Dr. Perry provided a COVID update. He stated that last night he had met with PTA Council and briefed unit leaders on what the positivity rate means to South Colonie. The information shared on the website regarding cluster zones is ever evolving. There are three distinct cluster zones – yellow, orange and red, and are based upon NYS Dept. of Health and the Governor’s task force to determine what should happen if the positivity rates in a specific region spike. The yellow zone in Albany County would be called if you have a 7 day rolling average over 3%. We are preparing for the possibility of going fully remote. We have had some remote learning days and have another one scheduled for December 9th. We are in better shape than we were in September and we are continuing to make strides in terms of our technology. We recently received approximately 900 chrome books and we are working to prepare them and
get them out to students. The three different zones – 3% rolling average for yellow, 4% for orange, and 4.5% for red require certain responsibilities from the school district and one of those would be testing of students and staff that are on site. Yellow zone requires that we test 20% of our students and staff. The test is designed to be non-intrusive and is a nasal swab test. We do anticipate having the capability to do the testing in the next two weeks. We have been working closely with the Albany County Department of Health and have began the process to put the appropriate agreements in place and we have been working with our Medical Director and District Nurse to determine an appropriate plan for testing, and also working on parental and staff consent. We have forms available and are planning to push them out by the end of this week or early next week. We will not test students or staff without parental or adult consent. We anticipate being able to give a 24-48 hour notice before testing and all testing will be on a random basis.

Mr. Johanning reported that Gary DiLallo passed away last weekend and requested the District send a bereavement card. Mr. DiLallo was a long time teacher at Mechanicville, education advocate, and a longtime member of the Shenendehowa Board of Education.

5. OLD BUSINESS

Ms. Cogan was happy to report that the Parent and Family Engagement Committee will be meeting virtually on December 10th and currently has 21 members.

6. COMMUNICATIONS

   A. Requests to Speak:

   1. Susan Pellegrini was interested to know at any given time how many people are in quarantine as a result of exposure through the school community. Dr. Perry that we have less than 5% of our student and staff population quarantined at any one time, which allows us to stay open. Ultimately the number of positive cases compared to the number of students and staff in the District has less than 1%. We are happy to report that although quarantines can be significant, we are managing fairly well in South Colonie and our students and staff are being compliant and families are being honest when it comes to contact tracing. Dr. Perry also responded directly to Ms. Pellegrini.
7. **BOARD COMMITTEE REPORTS & ACTION ITEMS**
Board Committees have met since the last Board of Education meeting. Chairpersons will make recommendations to the full Board, and/or seek clarification on issues. Board members who are liaisons to District-wide committees will also report at this time.
