5. NEW BUSINESS

Ms. Gigliello wanted to thank everyone working in the District for their tireless dedication. The Board appreciates everyone’s hard work and hopes everyone has a happy holiday season.

Mr. Johanning attended NYSSBA’s legislative priorities seminar and said it was very informative and worth a listen. It was recorded and he believes everyone got a copy.
Dr. Perry wanted to give a quick COVID update. Currently we are on remote only learning at Saddlewood Elementary due to one positive case that had quarantined a large number of students and staff. They will remain on remote only instruction through December 23rd and we anticipate them being able to return to in-person instruction on January 4th. Also, at Lishakill Middle School we are in remote only learning in Grades 7-8 due to quarantine related situations. All other buildings remain open for in-person instruction. Information was sent out today related to weather related delays and cancellations. We wanted to make our community aware of the process. We do anticipate a storm coming this week so we anticipate messaging out our plans at that particular time. We are able to pivot to remote learning if a storm comes up rather than having a 2 hour delay or cancelation. We may have a traditional snow day at some point. We thank everyone for their flexibility during this time. We are doing the best we can to remain open and in-person.

Mr. Ryan wanted to mention that the Facilities Committee is continuing with interior inspections. Today they did the Bus Garage and District Office. There were a few issues added to the list but not much. The next inspections are scheduled at Forest Park, LishaKill, Saddlewood and Veeder on December 29th. Mr. Ryan also wanted to mention that at the Bus Garage they were able to see the new portable lift. Also Mr. Sim and Mr. Tunny were able to show the new busses with the new lighting component, which is much better than the old busses.

Ms. Cogan wanted to add on to Mr. Ryan’s comments. Last week she attended the interior inspections at the High School, Roessleville, Sand Creek and Shaker Road and said it was a whirlwind. Most impressive at Sand Creek was the work in the vestibule which has been completed and is really nice. There was a fresh coat of paint on many walls and the ceiling tiles are being replaced hallway by hallway. The other schools will follow. It was really nice to see some new improved institutional décor at Sand Creek.

6. **OLD BUSINESS**

Ms. Cogan stated that the South Colonie Parent and Family Engagement Committee met last week. They discussed that the main issue at this time is communication and they came up with a lot of ideas and suggestions to help improve communications because communications is what helps people get engaged in the first place. Ms. Cogan sent the results to Mr. Backus this morning and they will be discussing it and be meeting again in January.

7. **COMMUNICATIONS**

**A. Requests to Speak:**

1. Tyler Vasquez was curious if there was a student representative on the Board of Education. Dr. Perry responded directly to Tyler and let him know that currently we do not have a student representative on the Board. We have a 9 member Board. Student representatives are allowable at times and we do have opportunities for students to get involved and will continue to provide opportunities. Dr. Perry will reach back out directly to Tyler.
2. Sharon Fowles wanted to express her disappointment in the decision to shift to remote learning instruction in the event of inclement weather. She feels that just because we have the ability to go remote does not mean that we should. She feels that learning via computer will never be as good as learning in person. Dr. Perry stated that this would strictly be a shift on a temporary basis for a day in lieu of canceling a day or having the disruption of a delay. This would allow us to be more efficient and allow staff to be safe and also conduct a full school day opposed to a modified day.

8. BOARD COMMITTEE REPORTS & ACTION ITEMS
