4. SUPERINTENDENT UPDATE

Dr. Perry wanted to thank the Icare students and staff members for an outstanding Halloween event and to our PTA’s for the trunk and treat events. They were well received and very well done with a lot of creativity. A few calendar reminders. Today was a staff conference day for parent teacher conferences at the Pre-K-6 level. November 12th will be a full day at the K-12 level. New this year is a program called CHAIN. This stands for Colonie High School Alumni Integration Network. We reach out to our alumni not only in the Colonie area, but throughout the United States in an effort to connect them to our current students. Any Colonie alumni that may be watching today, please reach out to Mr. Doran at Colonie
Central High School. Lastly, we anticipate diagnostic testing on a pilot phase over the next few weeks. This means that students or staff who are symptomatic and showing signs and symptoms of COVID-19 in the building would have an opportunity to be tested using our Quadrant saliva based test. This will require parent permission. Results of the test will be available in 24-48 hours. This is at no cost to the district or to the families.

5. **NEW BUSINESS**

Ms. Gigliello wanted to give a shout out to the teachers, teaching assistants, and monitors. This is another difficult year and we thank them for their patience and dedication and for offering new ideas to help make this a positive and successful year. It was great to have fall concerts back in the schools. She was unable to attend in person but was able to view one concert on YouTube and it was wonderful. Congratulations to all students and staff who made both nights spectacular. She attended Halloween High and it was exciting to see everyone having fun and to see all of the happy faces and awesome costumes. Thank you to iCARE for sponsoring it.

Mr. Kiehle wanted to say how much he appreciated going to the iCARE assembly where iCARE introduced themselves and talked about their project this year on suicide prevention. He also wanted to say that he is a big supporter of kids learning how to drive properly and he saw in his mail something about a driving simulator and he encourages Mr. Kachadurian and Mr. Scalzo to look into that and see if it is something feasible that we could do.

Mr. Larrabee wanted to acknowledge a community event that happened last night at Cook Park to support Cancer Awareness and Research. It was a Strike out to Cancer fundraiser and they were able to raise $1,000 for the cause. He would like to thank Dr. Perry who attended and pitched 6 solid innings.

Mr. Keane also wanted to mention the fall concerts and how it was great to see his son perform in the Monday night concert. The concerts were fantastic. There were events doubled up and he feels it would be great to get a camera in the auditorium to help with the livestreaming as we are limiting the number of guests who able to attend. There were two great events this past Friday night. A big win for our football team. Also, the girls volleyball team won in a thrilling finish and now they move on to the sectional semi-finals. Lastly, November 10th is the great PTA sign up day. If you are not a member, he strongly encourages you to join. The PTA’s are a lifeblood in our schools and bring our communities together.
