RE: District Response to External Audit Post-Governance Letter for Extraclassroom Activities

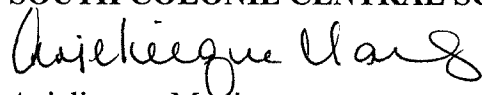

Dear Ms. Hyary:

The firm Cusack & Company audited South Colonie Central Schools' records for 2021-2022. As part of the audit process, they issued a post-governance letter, dated September 27, 2022.

The letter was presented to the District's Audit Committee and Board of Education on October 3, 2022. The post-governance letter indicated no management comments and, as such, South Colonie Central Schools received a clean opinion for the fiscal period ending June 30, 2022. Therefore, no corrective action is needed. A copy is attached for your reference.

Should you need any additional information, please do not hesitate to contact me.

Sincerely yours,  
**SOUTH COLONIE CENTRAL SCHOOLS**
