3. SCHOOL BOARD RECOGNITION

School Board Recognition Week was October 17-21, 2022. It takes strong schools to build a strong community, and the men and women serving on the Board of Education devote countless hours to make sure South Colonie schools are helping every child learn at a higher level. They make tough decisions every month and spend many hours studying education issues and regulations in order to provide the kind of accountability our community expects.

On behalf of the staff, faculty and students of the South Colonie Central School District, the Superintendent recognizes the members of the Board of Education for their dedication, commitment and contributions to the students and community of South Colonie and for the many hours of service they provide in supporting excellence in education.
4. **SUPERINTENDENT SPOTLIGHT**

Superintendent David Perry recognized Katherine Bianchi for the wonderful work that she does for the South Colonie School Community. Ms. Bianchi is a 6th grade teacher at Lisha Kill Middle School who has made a significant positive impact professionally with her peers, students, and families. 6. **SUPERINTENDENT UPDATE**

Dr. Perry wanted to give a shout out to our PTA’s in our elementary schools for putting on the trunk or treat activities. This was a great opportunity to have our students celebrate in a safe environment. Thank you to our high school staff and students for putting on Halloween High. It was a great event as always.

7. **NEW BUSINESS**

**Mr. Casey** attended the NYSSBA convention in Syracuse, along with Dr. Perry, Mr. Ryan, Ms. Gigliello, and Mr. Larrabee. There was a ton of great information that was disseminated and he feels a lot of that information will benefit the district as we move forward with the capital project. The cards and posters given to the board members by the students in the district for board recognition week were wonderful. It is so much fun to read the cards year after year. Thank you to the kids and teachers!

**Mr. Mesick** had the opportunity to attend the National Honors Society induction at the high school recently and he wanted to say congrats to those students and their families. A nice job by Mr. Kachadurian, it was a great event. He also wanted to thank the PTSA who were in attendance and provided refreshments.

**Ms. Gigliello** also attended the NYSSBA convention and stated that it was a great conference. Jen Judge, our school psychologist, was presenting at the conference and it was wonderful to see her.

**Mr. Keane** attended the Athletic Hall of Fame inductions a few weeks ago and said it was a tremendous event. It was great to see the volume of students that were in attendance. He ventured to Mechanicville to see the girls soccer team compete in the suburban semi’s.
Mr. Ryan also attended the NYSSBA convention and was the voting delegate for the district. The results of the vote are available. There were 49 propositions and they all went the way that our district voted. They were able to attend some great workshops at the convention. They were able to talk and learn about electric buses, which is still in the beginning stages of development. Currently an electric bus costs about $400,000.00. We can buy a bus for about $180,000.00. Right now, the technology is not completely developed to the point where it would be practical. It was interesting to learn about and we hope that in the upcoming years they will be developed to where it would become practical. All in all, a great convention.

Mr. Kiehle also attended the Athletic Hall of Fame inductions and wanted to mention some people who provided a wonderful experience for the inductees and everyone in attendance. Thank you to Mr. Roemer, Roger Wyland, the Hall of Fame committee members, Mr. Dutcher, the set up crew, Mr. and Mrs. Backus, and Dr. Perry. We especially want to thank the inductees who attended and gave wonderful presentations. He would also like to recognize former board member, Mr. Sim, who deserves special credit for the passing of the capital project vote. He was instrumental in a lot of the work that went on leading up to the vote. On behalf of the board, we appreciate all that he did. He also wanted to say that he appreciates the new Meet the Pack program. He thinks it is wonderful and he looking forward to the next one. Lastly, this is our first board meeting since the capital project vote passed and he feels we should make a public statement.

Dr. Perry stated that we had over 74% approval on the recent capital project vote. We want to thank our community for coming out to support the vote. We have some great things ahead. The next step is to continue to plan and design with our architects. Thank you to our community for their support and we look forward to the ongoing improvements to our district.

14. **Approval of Emergency Situation for Lisha Kill Storm Drain**

WHEREAS, the district has evaluated the collapsing sidewalk and clogged storm drain that causes safety issues at Lisha Kill Middle School; and

WHEREAS, because of the collapsing sidewalk and clogged storm drain an emergency situation has arisen since the condition arises from an unforeseen occurrence or condition which affects a District building, or the life, health, or safety of individuals on District property and which requires immediate action that cannot await competitive bidding; and

WHEREAS, this issue was caused by overgrown tree roots which have caused damage to an already deteriorating storm water drain; and

WHEREAS, this condition prevents the storm water drain from flowing thereby causing the ponding of water after rain and snow melts which consistently become safety issues; and

WHEREAS, the District will make purchases and bid the work at the lowest possible costs, seeking competitive bids by the informal solicitation of quotes to the extent practicable under the circumstances.
NOW, THEREFORE, IT IS

RESOLVED, the Board of Education declares this condition to be an emergency situation obviating the need to seek competitive bidding for the repairs to the storm water drain and associated safety hazards; and it is further

RESOLVED, the Assistant Superintendent for Management Services and Strategic Planning follow school district policy with regard to the solicitation of bids to remedy this emergent condition

A motion was made by Mr. Larrabee and seconded by Mr. Keane, that the above stated Approval of Emergency Situation for Lisha Kill Storm Drain be approved.
